aged 17-24? save money with new driver insurance

✓ Get a quote in seconds

We'll give you a guide price in seconds – just enter your car reg, age and postcode online! If you're happy with the guide price, you can go through a full quote and arrange your insurance.

✓ Instant cover

You don't need to wait for your black box to start driving – you can be covered straight away! All we ask is that you have your device fitted within 14 days of the start date.

✓ Same price on a full & provisional licence

Good news for learners as your premium won't go up once you've passed. So, no scrambling around to make an extra payment or find new insurance after your test.

✓ No curfews

Unlike some insurers we trust you to drive whenever you like - we don't penalise you for driving at night. After all, having your own car is about having the freedom to drive when and where you want!

✓ Our best price upfront

We trust you to drive safely so you get our lowest price from the start – there are no complicated points schemes, mileage caps or penalties for driving late.

✓ Saving you money

Black box technology helps you to develop safer driving skills and allows us to tailor your renewal premium to the way you drive.

good to know...

- Cover is subject to terms and conditions. Please ask your broker for details
- Cover available in most UK postcodes except Northern Ireland
- Repeated unsafe driving could lead to a premium increase but 9 out of 10 Marmalade customers have never had that problem!
